Plan Revision Letter
Harnett County Permit #: SFD2202-0061

Based on the request of the Contractor, 1 beam in the original plans was revised. My assessment and recommendations are as follows:

- On sheet S2, the double 1 ¾"x 18" LVL beam over the Kitchen/Family Room area was changed to a W8x35 steel beam. The new steel beam will have 6 studs under each end. The new steel beam is acceptable.

The new W8x35 steel beam in lieu of the LVL beam meets all the requirements of the 2018 North Carolina Building Code for Residences.
