Re: Status of Improvement Permit Application: SFD2203-0117

To whom it may concern:

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible. (*\$25.00 fee incurred*)
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. **Other- Weaver Homes – All Mitchell Manor Phase II Lots – Property lines shall be clearly marked via surveyor. Property lines were not marked at all. Majority of property lines extend into wood lines without line of sight to rear irons. Property lines shall be marked and staked by surveyor at edge of woods or line of sight through woods made on lines. Reconfirm when ready.**

Your application will be put on hold until the selected items above have been addressed. When completed, **please call Central Permitting at 910-893-7525 to confirm** that the items mentioned have been corrected. We will then reschedule your property for evaluation. If you have any questions or concerns please call 910-893-7547.
