

**Board Meeting
Agenda Item**

Approved by the Harnett
County Board of Commissioners
Date July 18, 2022
Yvonne Apps, Clerk

MEETING DATE: JULY 18, 2022

TO: HARNETT COUNTY BOARD OF COMMISSIONERS

SUBJECT: **Request to waive permit fees and sewer/water fees for a home to be built at lot 64 in Providence Creek for a wounded veteran.**

REQUESTED BY: **Home Builders Association of Raleigh- Wake County**

REQUEST:

The Home Builders Association of Raleigh –Wake County is requesting a fee waiver to support their Operation: Coming Home (OCH) initiative. The amount being requested is \$1000 for the permit fee and \$4840 for the water/sewer fee for a home to be built at lot 64 in Providence Creek for a wounded veteran.

This will be the 13th Operation: Coming Home OCH project, and the fourth in Harnett County. The organization is planning to hold a groundbreaking event in July with a delivery of the home in November. OCH, is a non-profit organization; therefore Mattamy Homes donates the lot and oversees the build, while depending on our trade partners to donate labor and materials. We will deliver this home to a deserving veteran free of charge. We are asking for you to help donate to this cause by waving the \$1000 permit fee and the \$4840 water/sewer fee for this lot. We ask for the opportunity for this to be presented to the Commissioner on our behalf. I have provided a link to the OCH homepage for additional information about the program. <https://www.hbawake.com/about-operation-coming-home.html>
