Project: 146 Emma McLeod lane
Location: Dunn, NC
Company: STE General Contractors
Care Of: Shane McLeod
Subject: Pier Footing Extension
Job Number: 1076-23

As requested, Andy Takla, PE prepared this report on July 12th, 2023 to provide the builder with a repairing the pier footing projection of the front-right most pier of the front porch.

Based on review, we recommend implementing the detail shown below to any sides lacking at least 2" of projection.

Limitations of Inspection: Services provided are in accordance with the standard of practice for structural engineering, the North Carolina Residential Code (2018 edition) and within the limits imposed by scope, schedule and budget. The determinations contained in this report are based on conditions observed at the time of the evaluation. No guarantees or warranties, expressed or implied, under this agreement or otherwise, shall be construed in connection with services provided. Sequencing, shoring, means and methods of construction are considered beyond the scope of this report. All information used to form decisions and recommendations provided to engineer are taken as truthful. A.A. Takla Engineering assumes no responsibility for untruthful statements provided by any party. Lastly, while every effort has been made to ensure accuracy in the preparation of this document, the maker cannot guarantee against human error nor evaluations of structural elements which are concealed from visual inspection.
