**Project:** 31 Keel Boat Ln  
**Location:** Fuquay Varina, NC  
**Company:** Family Building Company  
**Care Of:** John Szalecki  
**Subject:** Awning Upfit  
**Job Number:** 1976-23

As requested, Andy Takla, PE prepared this report on December 14th, 2023 to provide builder an upfit plan to accommodate the method in which the awning above the front door is currently built.

Moving forward, we recommend installing the fasteners and attachments **(in red)** as shown in the detail below.

Limitations of Inspection: Services provided are in accordance with the standard of practice for structural engineering, the North Carolina Residential Code (2018 edition) and within the limits imposed by scope, schedule and budget. The determinations contained in this report are based on conditions observed at the time of the evaluation. No guarantees or warranties, expressed or implied, under this agreement or otherwise, shall be construed in connection with services provided. Sequencing, shoring, means and methods of construction are considered beyond the scope of this report. All information used to form decisions and recommendations provided to engineer are taken as truthful. A.A. Takla Engineering assumes no responsibility for untruthful statements provided by any party. Lastly, while every effort has been made to ensure accuracy in the preparation of this document, the maker cannot guarantee against human error nor evaluations of structural elements which are concealed from visual inspection.
