

Lake

House at 1423 Beech Haven School Rd
Owners Vickie Olive and Tom Olive

(A) septic installer recommended a separate Tank and septic field for the toilet and washing machine family gathering accessory Bldg. We are making application to Environment & Health for a permit

1. the only easement is Duke Power easement along NC 87
3. We propose the well between the house and the accessory Bldg
4. see map for proposed sewer lines
5. no existing wells
Lake is about 80 ft away
6. no storage tanks in area
no past homesteads or buildings
7. no known sources of contamination
8. We do not know of any groundwater restrictions or variances
