**Re: Status of Permit Application-SFD2403-0095**

**To whom it may concern,**

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

1. Use pink flags to mark property lines and irons that are  
Set by surveyor need to be visible. (\$25.00 Fee incurred)

**2. House Box needs to be marked to match site plan (\$25.00 Fee Incurred)**

3. Directions not clear to property (*\$25.00 fee incurred*)

4. Property needs undergrowth cleared, do not disturb the soil

5. Driveway not shown on site plan

**6. Need pits to evaluate soil (will require 4 pits to be dug, 4' deep and wide enough to get down into to evaluate, must have a step to get out of pit). Pit locations while standing on bourbon street. Pit 1, 15' in front of left house corner. Pit 2 15' to the left of back left house corner. Pit 3, 50' towards the back starting from the back left of the house box. Pit 4, 100' towards back starting at back right of house box.**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
