SERVICE PERFORMED	TEST NO.	COMP %	WD PCF	DD PCF	MOISTURE %	
NDT	1	100+	118.6	121.6	2.4	

Soils & Material inspections, testing results and on-site determinations contained in this report become void after 30 days of non-use of this report and/or following any inclement weather which causes structural soil or material deterioration. Additional testing will be required following a voided report determined by a North Carolina Building Code enforcement official or Enoch Engineers P.A. The client/contractor is responsible for notifying Enoch Engineers P.A. of any soil & material condition changes which could void this report.
