Re: Status of Permit Application-SFD2405-0022

To whom it may concern,

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines flagged every 50' and irons that are set by surveyor need to be visible.. (\$25.00 Fee incurred)
- 2. House Box needs to be marked marked. (25.00 Fee Incurred)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs undergrowth cleared, do not disturb the soil
- 5. Driveway not shown on site plan
- 6. Backhoe Pits Required-
- 7. Other – Will require clearing of all vegetation/brushes/limbs in order to proceed with a new septic layout. (Trees will have to be cleared for septic install). Avoid clearing the marked house box stakes and make sure it is updated as seen on the revised site plan. Noticed the driveway is connected to Hook Drive but has a Cotton Fields address.**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
