Re: Status of Permit Application-SFD2405-0070

To whom it may concern,

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

X 1. Use pink flags to mark property lines every 50'. All property survey corners need to be uncovered and demonstrated. (\$25.00 Fee incurred)

X 2. House Box needs to be corrected and remarked/demonstrated. (25.00 Fee Incurred)

 3. Directions not clear to property (*\$25.00 fee incurred*)

 4. Property needs undergrowth cleared, do not disturb the soil

 5. Driveway not shown on site plan

X 6. Backhoe Pits Required- Dug 48' deep, at least 3' wide to get down into, and a step to get out. Will need to call between 8-9am the day of to schedule a time to meet health inspector to dig pits.

X 7. Other – Proposed pool needs to be marked.

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
