Re: Status of Permit Application-SFD2405-0093

To whom it may concern,

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

1. Use pink flags to mark property lines every 50'. (\$25.00 Fee incurred)

2. House Box needs to be marked, pool and proposed shed, (currently there are overlapping layouts and nothing is labeled.) (25.00 Fee Incurred)

3. Directions not clear to property (*\$25.00 fee incurred*)

4. Property needs undergrowth cleared, do not disturb the soil

5. Driveway not shown on site plan

6. Backhoe Pits Required- Call Environmental Health between 8-9am to schedule a time the day of when you are planning to dig backhoe pits to finish soil evaluation. All other items need to be completed before backhoe pits can be scheduled.

7. Other – Need easement marked/demonstrated. Need all proposed house setbacks to property lines indicated on site plan and submitted to Central Permitting,

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
