Re: Status of Permit Application-SFD2405-0094

To whom it may concern,

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

1. Use pink flags to mark property lines flagged every 50' and irons that are set by surveyor need to be visible.. (\$25.00 Fee incurred)

2. House Box needs to be marked marked. (25.00 Fee Incurred)

3. Directions not clear to property (*\$25.00 fee incurred*)

4. Property needs undergrowth cleared, do not disturb the soil

5. Driveway not shown on site plan

6. Backhoe Pits Required- Need pits to evaluate the soil. Will require backhoe pits 48' deep and wide enough to get down into. Must have a step to get out of pit. Call Environmental Health the day of between 8am-9am to schedule to have pits dug for evaluation. Must check weather to avoid rain filling pits. (Pits filled with water cannot be evaluated.)

7. Other –

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
