On November 13, 2024, I Visited the site of the project, 484 Falling Water Rd. The purpose of the visit was to inspect the as-built framing of the house being built on the property.

Therefore, I here certify, after thorough inspection of the as-built framing for the above-said house, that the framing and load points are properly constructed, structurally stable and meet the structural and load bearing requirement of NCBC, Residential, 2018. **My seal and signature are affixed below for certification.**

For any further questions please call me or email me. My telephone number is (919) 621-0628. My email address is ba.casespllc@gmail.com

Sincerely,

Samir W. Bahho, PE (License # 16941)
