Mr. Blackman:

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible. (*\$25.00 fee incurred*)
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. **Other – Due to the limited amount of space based on suitable soil the following must be completed to determine if a second proposed single family dwelling can be placed on the same lot. Property Survey iron corners must be uncovered and demonstrated. Property lines must be marked/flagged every 50'. Have a septic contractor locate and demonstrate/flag the existing system on property from start to end.**

Your application will be put on hold until the selected items above have been addressed.

When completed, **please call 910-893-7547 to confirm** that the items mentioned have been corrected. We will then reschedule your property for evaluation.
