Re: Status of Permit Application-SFD2407-0031

To whom it may concern,

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

X 1. Use pink flags to mark property lines every 50'. All property survey corners need to be uncovered and demonstrated. (\$25.00 Fee incurred)

 2. House Box needs to be corrected and marked/demonstrated. (25.00 Fee Incurred)

 3. Directions not clear to property (*\$25.00 fee incurred*)

 4. Property needs undergrowth cleared, do not disturb the soil

 5. Driveway not shown on site plan

 6. Backhoe Pits Required-

X 7. Other – Have septic contractor locate and demonstrate septic tank and septic drain lines (full system must be found). Check with building inspection on setbacks within SFD to SFD. (Currently your proposed SFD is 4' away from existing SFD.)

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
