Re: Status of Permit Application-SFD2407-0106

To whom it may concern,

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- ☐ 1. Use pink flags to mark back property survey corner irons every 50' feet. (25.00 Fee Incurred)
- ☐ 2. House Box needs to be marked/demonstrated clearly. (25.00 Fee Incurred)
- ☐ 3. Directions not clear to property (\$25.00 fee incurred)
- ☐ 4. Clear Vegetation. Do not disturb the soil.
- ☐ 5. Driveway not shown on site plan
- ☐ 6. Backhoe Pits Required
- ☒ 7. **Other- Must get undergrowth cleared and line of site to iron. Could not find but one iron because growth was so heavy. There has been no change in the lot since last visit, except for more growth and debris on the lot.**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
