**Re: Status of Permit Application-SFD2408-0001**

**To whom it may concern,**

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

**X 1. Use pink flags to mark property lines every 50'. Back Property survey irons to be located and demonstrated. (\$25.00 Fee incurred)**

   2. House Box needs to be corrected and marked/demonstrated. (25.00 Fee Incurred)

   3. Directions not clear to property (*\$25.00 fee incurred*)

   4. Property needs undergrowth cleared, do not disturb the soil

   5. Driveway not shown on site plan

   6. Backhoe Pits Required-

**X 7. Other – Need access farther back into property to check soil and confirm property irons. Will need vegetation to be cut down (hog weed the brushes, limbs, thorns and cut tall grass for septic layout).**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
