1220 W Blackman Rd, Dunn, NC

Dear BVA Builders, Inc.,

The intent of this letter is to revoke the above referenced AOWE Permit. This revocation is being provided upon your request due to a site plan change and changing the bedroom number which will necessitate an adjustment to the dispersal field. You will need to apply for a new wastewater permit that meets the requirements of current regulations.

Sincerely,

A handwritten signature in black ink that reads "Hal Owen".
