ITEMS SUB-TOTAL: \$ 8,122.43

Please examine this quote, as we agree to furnish at the price herein specified only the articles named and described herein. Prices quoted are valid for jobs released for production within thirty days of date of estimate unless otherwise specified. Additional design time made necessary by incorrect foundation installation or plan changes may require additional charges. This estimate includes sealed engineering of individual truss drawings only. Any requirement for additional engineering services will be billed in quarter hour increments as costs are incurred.	SUB-TOTAL	\$8,122.43

WARNING: As part of this proposal, we warn that trusses can be dangerous and cause property damage or personal injury if improperly installed and / or braced. Customer acceptance hereof shall constitute his affirmative representation to us that he is trained in the proper and safe methods of truss installation and bracing, and will use such methods. Customer acknowledges receipt of instructional pamphlet entitle: 'Bracing Wood Trusses: Commentary and recommendations', HIB-91, as published by the Truss Plate Institute, Inc., and also the engineering drawings showing the required lateral bracing. By his acceptance, Customer agrees, for himself, his agents and employees, to hold Comtech Inc. harmless from any and all actions for property damage, personal injury, or wrongful death resulting from improper installation and / or bracing during erection of the trusses comprehended hereby.
