So once the customer lets us know the new tank is in, put it back in for another review, which will be 2-3 weeks?

And no fees need to be added?

Sincerely,

For SFD2412-0051, EH was Approved w/ Exception because customer needs new tank.

What fee needs to be added? \$650 for the difference of a new tank?

Also, an updated Land Use?

The customer is asking for timeline.. the usual 2-3 weeks, correct?

Sincerely,

**Michelle Myatt**
