Re: Status of Permit Application-SFD2501-0058

To whom it may concern,

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

X 1. Use pink flags to mark property lines every 50' between irons. (25.00 Fee Incurred)

X 2. House Box needs to be marked/demonstrated clearly. (25.00 Fee Incurred)

 3. Directions not clear to property (*\$25.00 fee incurred*)

 4. Clear Vegetation. Do not disturb the soil.

 5. Driveway not shown on site plan

 6. Backhoe Pits Required-

X 7. Other- Have septic contractor locate any existing septic lines that are not in the new house box area. Due to limited space, may need access to right side of property where trailers are parked. Must have adequate room for a 4-bedroom initial septic system and a repair area.

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
