Re: Status of Permit Application-SFD2504-0141

To whom it may concern,

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

X 1. Use pink flags to mark property survey corner irons every 50' feet between survey irons. Only front property line and right property line (as if you were standing on Tylerstone). (25.00 Fee Incurred)

 2. House Box needs to be marked/demonstrated clearly. (25.00 Fee Incurred)

 3. Directions not clear to property (\$25.00 fee incurred)

 4. Clear Vegetation. Do not disturb the soil.

 5. Driveway not shown on site plan

 6. Backhoe Pits Required

X 7. Other- Need driveway flagged/stacked. Will require clearing in front yard for septic layout approximately 60' out from front right house corner then continue towards Tylerstone.

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
