Re: Status of Permit Application-SFD2505-0157

To whom it may concern,

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

X 1. Use pink flags to mark property survey corner irons. Irons need to be exposed. Need property lines flagged every 50' between irons. (25.00 Fee Incurred)

X 2. House Box needs to be marked/demonstrated clearly. (25.00 Fee Incurred)

 3. Directions not clear to property (\$25.00 fee incurred)

 4. Clear Vegetation. Do not disturb the soil.

 5. Driveway not shown on site plan

 6. Backhoe Pits Required

X 7. Other- Need updated site plan showing all property line measurements and accurate house box setback measurements.

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
