Re: Permission to build / secure building permit

To whom it may concern:

I am writing this letter to give notice that this letter serves as notice that I give Onsite Homes LLC, permission to submit for approval, permit for construction, and to prep for construction of residence for Part of 454 Peach Farm Road Lillington, NC; part of PID 130539 0010, LOT. Onsite Homes, their employees, contractors, subcontractors, and representatives have our permission to access LOT and submit plans and forms as needed in order to secure permits/environmental permit and other documentation for approval for construction of residence.

If you have any questions please contact Onsite Homes or myself regarding this request.

Best Regards,

State of North Carolina County of Wake

I certify this to be a complete, exact and true copy of the original document.
