**Re: Status of Permit Application-SFD2508-0076**

**To whom it may concern,**

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

**X 1. Survey Corner Irons need to be uncovered and clearly demonstrated. Property lines need to be re-flagged/marked every 50' between survey irons. (25.00 Fee Incurred)**

   2. House Box needs to be marked/demonstrated clearly. (25.00 Fee Incurred)

   3. Directions not clear to property (\$25.00 fee incurred)

   4. Needs more clearing. Do not disturb the soil.

   5. Driveway not shown on site plan

   6. Backhoe Pits Required

**X 7. Other- Must Call Health Inspector to talk about particular specifications involving the retention pond and dirt mound.**

Your application will be put on hold until the selected items above have been addressed.  
**Please call 910-893-7547 to schedule your property for evaluation.**
