THIS REAL ESTATE PURCHASE AND SALE AGREEMENT ("**Agreement**") is made and entered into as of the Effective Date (hereinafter defined), by and between **SHAW "A" LIMITED PARTNERSHIP**, a North Carolina limited partnership ("**Seller**"), and **DREAM FINDERS HOMES LLC**, a Florida limited liability company ("**Purchaser**").

A. Seller owns certain real property in Harnett County, North Carolina as more particularly described on **Exhibit "A"** attached hereto and incorporated herein (the "**Land**" or the "**Property**"), which Land is to be developed into approximately twenty-eight (28) fully developed single family detached residential lots (each, a "**Lot**" and collectively, the "**Lots**"); and

B. Purchaser desires to purchase the Property, and Seller desires to sell to Purchaser the Property, subject to the terms herein;

C. Purchaser desires to purchase the Property to construct detached single-family homes thereon (collectively, the "**Intended Improvements**") in accordance with the subdivision Site Plan; and

NOW, THEREFORE, in consideration of the foregoing, and the mutual covenants hereinafter made, it is agreed as follows:

1. **RECITALS.** The recitals set forth above are incorporated herein by reference and made a part hereof as fully as if set forth herein verbatim.
2. **AGREEMENT TO PURCHASE AND SELL.** For the consideration and upon and subject to the terms and conditions hereinafter set forth, Seller agrees to sell and convey the Property to Purchaser, and Purchaser agrees to purchase from Seller the Property together with all improvements constructed thereon and all rights, easements, appurtenances, and hereditaments appertaining thereto.
3. **EFFECTIVE DATE.** This Agreement shall become effective on the date this Agreement is signed by the last of Purchaser and Seller, provided that whichever of the Seller or Purchaser signs the Agreement first, the other shall have ten (10) business days to execute the Agreement or the Agreement shall be null and void (the "**Effective Date**").
4. **CLOSING SCHEDULE.** Seller agrees to sell the Lots to Purchaser and Purchaser agrees to purchase the Lots from Seller no later than thirty (30) days after Seller Substantially Completes (hereinafter defined) the Lots as more particularly set forth on **Exhibit "B"** attached hereto and incorporated herein (the "**Closing**"). The date on which the Closing occurs shall be referred to as the "**Closing Date**". In the event the Lots are not Substantially Completed on or before the date that is three hundred sixty-five (365) days after the Effective Date (the "**Completion Deadline**"), then Purchaser shall have the right, in its sole and absolute discretion, either (i) to notify Seller of an extension for Purchaser of up to an additional thirty (30) days from the Completion Deadline in which to Substantially Complete the Lots (the "**Extended Completion Deadline**"), or (ii) to terminate this Agreement, at which point Purchaser shall be entitled to an immediate refund of the Additional Deposit. In the event Purchaser has not provided written notice within ten (10) days prior to the Completion Deadline to Seller of Purchaser's election to either terminate this Agreement or extend the Completion Deadline pursuant to this Section, Purchaser shall be deemed to have elected to extend the Completion Deadline. If Seller shall not have Substantially Completed the Lots by the Extended Completion Deadline, then the Purchaser shall have the right, in its sole and absolute discretion, to either (i) terminate this Agreement and receive an immediate return of the Additional Deposit, or (ii) proceed to Closing. As used in this Agreement,

no approvals or permits will be deemed obtained unless and until they are final, non-appealable, and all applicable appeal periods have passed. Notwithstanding anything to the contrary herein, Seller agrees to use reasonable, continuous and good faith efforts to Substantially Complete the Lots.

5. **PURCHASE PRICE.** The purchase price for the Lots ("**Purchase Price**") shall be **SEVENTY-SEVEN THOUSAND DOLLARS** (\$77,000.00) per fully developed Lot for a total purchase price of **TWO MILLION ONE HUNDRED FIFTY-SIX THOUSAND DOLLARS** (\$2,156,000.00) for a total of twenty-eight (28) Lots. In the event the number of Lots actually developed by Seller is less than twenty-eight (28), then the Purchase Price shall be reduced pro rata.

6. **DEPOSIT.** Purchaser shall deposit **TWO HUNDRED FIFTEEN THOUSAND SIX HUNDRED DOLLARS** (\$215,600.00) (the "**Deposit**") with the Seller within three (3) business days after the Effective Date. In the event Purchaser provides the Notice to Proceed, the Deposit shall be non-refundable to Purchaser except in the event of Seller's default, and shall be applicable to the Purchase Price at Closing. If the transaction does not close, Seller shall disburse the Deposit, in whole or part, to the party, or parties, as provided for in this Agreement.

7. **PROPERTY INVESTIGATION.** Purchaser or Purchaser's agents, at Purchaser's sole cost and expense, shall have a period from the Effective Date until 8:00 p.m. Eastern time on the date that is thirty (30) days after the Effective Date (the "**Inspection Period**"), to access the Property and perform studies and inspections to determine if the Property is suitable for the Intended Improvements. Purchaser agrees to indemnify, defend and hold Seller harmless against all claims, demands and liability for damage to persons or property arising out of Purchaser's inspection of the Property. If Purchaser is dissatisfied with the Property for any reason or no reason whatsoever, then Purchaser shall have the absolute right to terminate this Agreement upon written notice to Seller delivered at any time prior to expiration of the Inspection Period, provided, however, in the event Purchaser elects to proceed with the transaction contemplated herein, Purchaser shall provide written notice from one of Purchaser's named notice parties in the notices section herein expressly stating Purchaser's election to proceed beyond the Inspection Period (the "**Notice to Proceed**"). If Purchaser does not provide the Notice to Proceed by the expiration of the Inspection Period, or if Purchaser provides written notice of its termination prior to the expiration of the Inspection Period, this Agreement shall automatically terminate without any further actions of the parties at which point the Deposit shall be returned to Purchaser within two (2) business days thereafter and the Parties shall have no further liability hereunder.

8. **DEED OF CONVEYANCE.** At Closing, Seller shall convey to Purchaser title in fee simple to the Lots Purchaser is purchasing at Closing by recordable special warranty deed (the "**Deed**") signed by all parties necessary or required by the Title Commitment (defined below), free and clear of all liens and encumbrances, except for the following exceptions (the "**Permitted Exceptions**"):

- A. Real estate taxes for the year of Closing and subsequent years not yet due and payable.
- B. Any other matters approved by Purchaser in writing.

9. **TITLE INSURANCE.** Prior to the expiration of the Inspection Period, Purchaser shall obtain a written title insurance commitment (the "**Title Commitment**") issued by a title company of Purchaser's choosing (the "**Title Company**") agreeing to issue to Purchaser, upon recording of each Deed to Purchaser, an owner's policy of title insurance in the amount of the Purchase Price, subject only to the Permitted Exceptions. Purchaser shall cause the Title Commitment to be updated no later than ten (10) days before Closing.

10. **DEFECTS IN TITLE.** If the title to the Property under the Title Commitment is subject to any matter which materially impedes the intended use of the Property to Purchaser, except the Permitted Exceptions, Purchaser

shall, prior to the expiration of the Inspection Period, give Seller written notice of the title exception(s) to which Purchaser objects (the "**Title Defect(s)**"). Seller shall have a period of thirty (30) days from Seller's receipt of Purchaser's notice of Title Defects to cure such Title Defects. If Seller is unable or unwilling to satisfy said Title Defects within the time permitted, Purchaser, at its option may elect to (i) take title to the Property Seller can convey without Title Defects and terminate the Agreement with respect to the Property having Title Defects; (ii) accept title to the Property with the Title Defects and proceed to close on the Property in accordance with the terms of this Agreement without reduction of the Purchase Price; or (iii) terminate this Agreement in its entirety, at which point Purchaser would be entitled to an immediate refund of the Deposit. Notwithstanding anything to the contrary herein and regardless of whether Purchaser provides any written objections to the Title Commitment pursuant to the terms of this Agreement, Purchaser shall be deemed to have timely objected to, and Seller shall remove and/or satisfy (or cause to be removed and/or satisfied), as applicable, from title to the Property (i) any mortgage, liens, deeds of trust, or other encumbrances affecting the Property whether recorded or unrecorded, (ii) past due and delinquent taxes, bond payments or assessments (including, without limitation, general and special assessments), (iii) recorded or unrecorded leases and tenants in possession, and (iv) all Schedule B-I requirements set forth in the Title Commitment applicable to Seller (collectively, the "**Purchaser's Objections**"). To the extent prior to Closing, the Title Commitment is updated pursuant to Section 9 above and new Title Defects are identified thereon, Purchaser shall have five (5) days to provide Seller of its written notice of such new Title Defects, at which point Seller shall, at its sole cost and expense, promptly undertake and use its best efforts to eliminate or modify all Title Defects to the reasonable satisfaction of Purchaser. Notwithstanding anything to the contrary herein, no Purchaser Objections shall be deemed Permitted Exceptions.

11. SURVEY. On or before Closing, Purchaser may, at its sole expense, have a survey of the Property (the "**Survey(s)**") prepared by a licensed surveyor. Notwithstanding Purchaser's right to have a Survey prepared, Seller shall make the following documents available to Purchaser within five (5) business days of the Effective Date: title reports, soil reports, storm water and wetland reports, home owners' association documents, recorded covenants and restrictions affecting the Property, construction plans, soil tests, site plans and site plan approvals, environmental reports, wetland delineations, zoning approvals, surveys, engineered construction drawings, permits and any other related documents regarding the Property (collectively, the "**Seller's Materials**"). If the Survey(s) or Seller's Materials show any encroachments of any improvements upon, from, or onto the Property or any easement, lack of ingress and egress, or any other types of encumbrances except the Permitted Exceptions, said conditions or encroachments shall be treated in the same manner as a Title Defect under the procedure set forth in this Agreement.

A. Taxes. Real property taxes for the Property shall be prorated between Seller and Purchaser for the year in which the Closing is held on the basis of the tax statement for such year; provided, however, that if such tax statement is not available as of the Closing, the tax proration between Seller and Purchaser shall be estimated based upon the most recent tax bill and subsequently readjusted upon receipt of the tax bill for the year in which the Closing occurs. Seller and Purchaser agree to adjust the proration of taxes and, if necessary, to refund or pay, on or before January 1 of the year following the Closing. Any deferred or rollback taxes resulting from this sale or change in use of the Property will be paid by Seller. The obligation of Seller to pay deferred or rollback taxes shall expressly survive any Closing hereunder.

B. Expense Prorations. Seller shall pay the current portion of all assessments levied against the Property prior to Closing. Purchaser shall pay all assessments levied against the Property after Closing.

15. SELLER'S WARRANTIES, COVENANTS AND REPRESENTATIONS. Seller represents, warrants and covenants to Purchaser as of the Effective Date and as of Closing Date that the following are and shall be true and correct and Closing:

A. (i) Seller has full right and authority to enter into this Agreement; (ii) each of the persons executing this Agreement on behalf of Seller is authorized to do so; and (iii) this Agreement constitutes a valid and legally binding obligation of the Seller, enforceable in accordance with its terms.

B. Seller and all such other persons deemed as the transferor of the Property are not foreign persons requiring the withholding of tax by Purchaser pursuant to Section 1445 of the Internal Revenue Code.

C. There are no legal actions, suits or other legal proceedings, including bankruptcy proceedings pending against the Property which would adversely affect Purchaser's ability to construct the Intended Improvements.

D. Seller has received no notice and has no knowledge of any pending liens, or any special assessments to be made against the Property by governmental authority.

E. There are no other contracts, agreements, or other obligations existing with respect to the Property or any portion thereof actually known to Seller, other than the Permitted Exceptions or as otherwise reflected in this Agreement.

F. Seller represents and warrants that, to the best of Seller's actual knowledge, without investigation, no hazardous substances as defined by the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 ("CERCLA"), 42 U.S.C. 9601(14), pollutants or contaminants as defined by CERCLA, or hazardous wastes as defined by the Resource Conservation and Recovery Act, 42 U.S.C. 6903(5), or other similar applicable federal or state laws or regulations, including, but not limited to, asbestos, PCBs, and urea formaldehyde, have been generated, released, stored or deposited ever, beneath, or on the Property in violation of applicable law.

If any of the Seller representations and warranties set forth in this Section are not true and correct as of Closing and Purchaser proceeds with the Closing on the affected Property, Seller shall use its best efforts to promptly remedy or cure such breach or defect after Closing. The provisions of this Section shall survive after Closing for a period of twelve (12) months or the earlier termination of this Agreement.

16. PURCHASER'S WARRANTIES, COVENANTS, AND REPRESENTATIONS. Purchaser warrants as of the date hereof and as of Closing Date that the following are and shall be true and correct at Closing:

A. Purchaser is a duly authorized and existing limited liability company; (ii) Purchaser has full right and authority to enter into this Agreement; (iii) each of the persons executing this Agreement on behalf of Purchaser is an agent of Purchaser authorized to do so; and (iv) this Agreement constitutes a valid and legally binding obligation of the Purchaser, enforceable in accordance with its terms.

Notwithstanding anything in this Agreement to the contrary, Purchaser does and shall indemnify, defend, save, and hold harmless Seller from and against any and all causes of action, losses, claims, damages, liabilities, and all costs and expenses, attorney fees and court costs, fees and costs and all other expenses related to, growing out of, or arising from any breach of any representation or warranty of Purchaser set forth above. The provisions of this Section shall survive for a period of twelve (12) months after each applicable Closing or the earlier termination of this Agreement.

17. DEFAULT.

A. By Seller. If Seller shall default in the performance of its obligations under this Agreement, Purchaser may (i) terminate this Agreement by giving written notice to Seller, upon which the parties hereto shall be relieved of all further obligations under this Agreement (except for those provisions of this Agreement which specifically survive termination) and Seller shall within three (3) days thereafter return the Deposit to Purchaser, or (ii) enforce specific performance of this Agreement. Except for those rights, remedies or obligations that in this Agreement specifically survive the Closings or termination of this Agreement, these are the only remedies of Purchaser.

B. By Purchaser. If Purchaser shall default in the performance of its obligations under this Agreement, Seller may terminate this Agreement by giving written notice to Purchaser, upon which the parties hereto shall be relieved of all further obligations under this Agreement (except for those provisions of this Agreement which specifically survive termination) and Seller shall retain the Deposit paid as of the date of default as liquidated damages and as an estimate of Seller's actual damages, as Seller's sole and exclusive remedy. Purchaser and Seller agree that Seller's actual damages in the event of default by Purchaser, would be difficult to ascertain, because of the uncertainties of the real estate market and fluctuating property values between the Effective Date and the date of breach; the parties have thus agreed upon the liquidated damages provided in this Agreement. Except for those rights, remedies or obligations that herein specifically survive the Closings or termination of this Agreement, the above shall be Seller's sole and exclusive remedy. The parties agree that such liquidated damages do not constitute a penalty.

C. Cure. Prior to a party exercising their respective remedies above, the non-defaulting party shall provide the defaulting party with written notice describing the default and ten (10) days to cure the default prior to the non-defaulting party enforcing its remedies set forth in this Agreement.

18. BROKERAGE COMMISSIONS. This section is intentionally left blank.

19. CONDEMNATION. If all or any portion of the Property is taken in condemnation or under the right of eminent domain after the Effective Date and before a Closing, Purchaser may, at its option, and within fifteen (15) days after receipt of notice of such taking, either (i) terminate this Agreement in its entirety by written notice to Seller and receive a return of the Deposit whereupon neither Seller nor Purchaser shall have any further rights or obligations pursuant to this Agreement, or (ii) terminate this Agreement only as to the Property affected by the condemnation, or (iii) proceed to close the Property affected by the condemnation as provided in this Agreement. In the event of a partial termination of this Agreement with respect to specified Property, and provided Purchaser does not terminate this Agreement, the Agreement shall remain in full force and effect with respect to the portions of the Property that are not affected by the condemnation, and the Purchase Price shall be adjusted by the number of Lots that may be lost as a result of such condemnation. If Purchaser elects to close on the Property to be taken in condemnation, Seller shall deliver to Purchaser, at Closing, any proceeds actually received by Seller attributable to the Property from any such condemnation or eminent domain proceeding, or conveyance in lieu thereof, and shall assign to Purchaser its right to receive any award not yet paid, and there shall be no reduction in the Purchase Price.

20. ASSIGNMENT. This Agreement may only be assigned by Purchaser with Seller's prior written consent, provided, however, Purchaser may assign this Agreement without Seller's consent to a parent or an affiliate or subsidiary of Purchaser or an entity utilized by Purchaser for land banking purposes without consent of Seller.

21. ATTORNEYS' FEES. In connection with any litigation concerning this Agreement, the prevailing party shall be entitled to recover costs and reasonable attorneys' fees through all trial, collection and

appellate levels of litigation. The provisions of this Section shall survive the Closings or the termination of this Agreement.

22. NOTICES. All notices to be given or to be served upon any party hereto in connection with this Agreement must be in writing, and shall be (i) hand delivered, (ii) sent by email, or (iii) sent by an overnight delivery service. Notice shall be deemed to have been given and received when personally served, on the day sent when notice is given by email, and upon delivery when notice is given by overnight delivery service. Notices shall be given to Seller and Purchaser at the addresses set forth in this Agreement.
