Re: Status of Improvement Permit Application #3-5-6912

Dear Mr. Pierce,

On May 2, 2003, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled (Need the irons located at the rear of property.)
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other Due to lot size limitations, you will need to get your Private Consultant to lay out septic system, repair area, and homesite.

When you have completed #6, please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Health Department
