Memo To: Conrad Plyler, Fairway Outdoor Advertising

From: Snow Bowden, Town Manager

Re: Damaged Billboard Due to Hurricane Florence

Date: October 3, 2018

Mr. Plyler,

The Town of Erwin will allow Fairway Outdoor Advertising to replace their damaged back-to-back billboard that is located adjacent to the North Carolina Department of Transportation Right-of-Way off of U.S. Highway 421, at the intersection with East I Street, as long as the replacement back-to-back billboard maintains the same square footage as the preexisting billboard. In addition, the Town of Erwin does not have any issues with your plans to use a steel pole instead of a wooden pole.

This decision has been made to follow North Carolina General Statute 136-131.2. The Town of Erwin relies on Harnett County Development Services to issue and necessary building permits. If you believe you might need one please contact them. If you have any questions do not hesitate to contact me at 910-591-4200 or townmanager@erwin-nc.org.

Regards,

Snow Bowden
