Mr. Ransdell,

Good afternoon. We have received a permit to reconstruct/repair a billboard at 5077 NC 87 N in Harnett County. They have proposed to do this work under GS 136-131.2. Modernization of outdoor advertising devices.

They included the attached info as proof of current, valid NCDOT approval. I just wanted to run this by you to make sure everything is good to go on your end.

Please let me know if you have any questions.

Thanks,

David H. McRae
