Comments	SEE BELOW - NEED MORE INFORMATION
----------	-----------------------------------

1. Please provide the lengths of the mounting walls on main store.
2. A maximum of 3 walls are permitted to have signage for a single tenant project. The sides of the canopy ^{car wash} will count as a wall. If all the walls are taken on the building, NO canopy signage will be permitted. Please consider this when choosing placement of wall signs of the store, canopy, and car wash.
