

Measurement Result

29.3 Feet

 THIS IS THE MEASUREMENT FROM GIS

 - WHERE CURRENT SIGN IS

 - TEAL BOX IS WHERE THE PROPERTY LINE IS

THE CURRENT SIGN IS GOING TO BE REMOVED AND THE NEW SIGN IS GOING IN ITS PLACE. THERE IS NO ELECTRICITY, IT IS NON-ILLUMINATED. THE DISTANCE TO THE PROPERTY LINE IS 15 FT. THE BLUE BOX IS THE PROPERTY LINE AND THIS WAS PULLED FROM HARNETT COUNTY GIS. THE ROW IS 10 FT AND THEN THE PROPERTY LINE IS 5FT IN THAT. SO 15 FT ON ONE SIDE AND 15 FT ON THE OTHER. I HOPE THAT MAKES SENSE!
THANK YOU!
