Thank you for your clarification.

As long as the vans are able to fit in the driveway and do not have any advertisement on them, this will be fine and our office will make note of this happening.

If you have any questions regarding this email, please contact our office.

Thank you for your email.

Could you please provide more information about these vans? What type of vans will they be? Your typical minivan? A transport van?

To whom it may concern,

I would like to notify the POA that I will be parking four vans in my driveway (Lot# 109 Anderson Creek Academy) overnight for the next two months. Please let me know if that is allowable under the POA covenant.

Thank you

Very respectfully,

Charles
