**Attachments:** county of harnett land use application.pdf

Hi Donna,

Thank you for your call and for providing the instructions for the application. I have filled out the form and attached it to this email. However, I am unsure about one of the pages regarding the septic system inspection. Could you please give me more guidance on how to complete this section?

Thank you for your help!

Best regards,

Claudia

If this is all you are doing for your home baked business then I only need the attached land use application completed and sent back to me. 😊 It will be a \$25.00 charge only. Once I receive that I will process and then you can call with credit card if you like and make payment. I will then send all approved documents back to you and you can start your business. Just remember that you cannot have the public coming in to pick up items, you cannot change or add new appliances for this business and you cannot add signage out in your yard.

Sincerely,

**Donna Johnson**

Good morning Donna,

I hope you are doing well. This is my second email to follow up regarding the health and sanitation requirements we discussed earlier. After speaking with the department last Friday, I've decided to make some changes to my product offerings to better comply with the regulations.

I've revised my menu and am now planning to focus on the following items:

Butter almond cookies

Pound cake

Pineapple cake

Candies Marshmallow nougat

Fruit jelly chocolate

Italian bread focaccia

I believe these changes will help simplify the compliance process and meet the health and sanitation standards. Could you please let me know if any further adjustments are needed, or if this updated product list aligns better with the existing requirements?

Additionally, I have attached the fixing steps and the Pre-Development Info Sheet for your reference.

Thank you again for your guidance and support throughout this process. I look forward to hearing from you.

Best regards,

Claudia
