Dear Donna,

I hope you are doing well.

Thank you for informing me about the health and sanitation requirements for my home bakery. To better understand the necessary steps, could you please provide me with specific details about the upgrades needed for my kitchen to meet compliance standards?

I would greatly appreciate any guidance or resources you can share, as well as any recommendations for next steps I should consider.

Thank you for your time and assistance. I look forward to hearing from you.

Best regards,
Claudia

I am sorry, Claudia. I will need to cancel the meeting that we were setting up for you, because health and sanitation is not going to allow you to have this in your home without you upgrading your kitchen.
