Hi Randy,

I've searched all civil, estate, and special proceedings cases for the respondent that was named. His name does not appear in any recent estate matters (2000-present) for inheriting the property, nor does his name appear in any special proceeding.

His name does appear on several Civil cases, but I don't know that those will be of use to you in your search. There are divorce documents, child custody, domestic violence, and one judgment case (11-CVD-2262) with his name attached. I looked further into the judgment and it appears to have been money owed on a credit card account, and was voluntarily dismissed by the complainant.

I'm guessing that any documents regarding that property would be held at the local level, aside from the deed or anything stored in the ROD office. If it's of any use to you, it appears that his most recent address (as of 2011) is: 1001 Old Stage Road, Coats, NC 27521

Let me know if you need anything else!

Best,
Brittany
