RE: Burning solid waste and solid waste accumulation location: 2075 NC 27 W, Lillington

To whom it may concern,

After receiving a complaint, an on-site inspection of the above mentioned property was conducted. At that time solid waste accumulation was observed. Be advised that according to Harnett County Solid Waste Ordinance it is improper to burn household garbage. All solid waste should be properly contained, taken to a county landfill, or collected by a business of sanitation, for disposal. If you are not familiar with these services, please refer to the yellow pages of your phone book, under "Garbage Collection Services".

You are hereby notified that this is in violation of the ordinance adopted by the Harnett County Board of Commissioners in accordance with the requirements of Article VI, Storage and Disposal of Solid Waste, of the Harnett County Solid Waste Management Ordinance, which states; "No owner, occupant, tenant or lessee of any property shall permit solid waste emanating from said premises to accumulate upon such premises unless stored in a manner prescribed by this ordinance".

This problem must be corrected, and the waste properly disposed of within two (2) weeks from the date that you receive this letter. We request that you contact the Health Department within seven (7) days to discuss your plan of action concerning this matter. If you do not comply within the allotted time frame we will be forced to obtain legal action.

I can be contacted at 893-7547 Monday through Friday between 8:00 and 9:00 a.m.

Sincerely,

Oliver Tolksdorf, R.E.H.S.
Environmental Health Supervisor
Soil Scientist
Harnett County Department of Public Health
