Dear Mr. & Mrs. Cherbonneau,

This letter is notification concerning your swimming pool that reportedly is not in use and is creating a mosquito breeding environment. You must, either, completely drain the pool, or put it into proper working condition or fill the pool in so that no accumulation of water can occur.

I request that you please contact the Health Department within 7 days to discuss your plan of action concerning this matter. I can be contacted at 910-893-7547 Monday through Friday between 8:00 and 9:00 a.m.

Sincerely,
