Dear Ms. McDonald:

This is a final notification regarding the solid waste at the above location. An on-site inspection was made on your property **12/20/19, 01/3/20, 03/17/20 and 4/17/20** by an Environmental Health Specialist and observed solid waste on the ground. **A follow-up visit has been made since the receipt of the violation letter and no response has been received.**

Again, you are hereby notified that this is in violation of the ordinance adopted by the Harnett County Board of Commissioners in accordance with the requirements of Article VI, Storage and Disposal of Solid Waste, of the Harnett County Solid Waste Management Ordinance, which states; "No owner, occupant, tenant or lessee of any property shall permit solid waste emanating from said premises to accumulate upon such premises unless stored in a manner prescribed by this ordinance".

This problem must be corrected, and the waste properly disposed of within two (2) weeks from the date that you receive this letter. We request that you contact the Health Department **immediately** to discuss your plan of action concerning this matter. **If you do not comply within the allotted time frame we will be forced to obtain legal action through the county attorney's office.**
