Comments:	I am requesting an investigation/inspection of the premises located at 294 Line Road, Cameron, NC 28326. The premises is being used as a Waste Deposit Location; holding organic/biological/, and chemical substances. It has been stored there from over ten days and for as long as thirty days or more in intermittent periods. The decaying matter is now posing health risk to the neighborhood; including littering. We now have to contend with the COVID-19 virus, and the risk of bacterial infections. The owner of the premises is Mr. Robert. Papa. I suspect the Landfill is now accepting the waste and is now being stored in this location. Please help resolve this public health hazard issue.
