Comments:	Concerned - I was waiting for my wife to get her hair done and I decided to walk around the shop at 255 Old Mill Road. Fuquay Varina NC. I noticed a smell and a brown patch of grass several feet away from the house on the right side. I noticed the septic tank waste

	was coming out of the ground and running down the lot into a ditch. It wouldn't surprise me if this house has the original septic tank and needs to be replaced. Can't believe they are able to continue doing business and letting their sewage cause a health hazard.
