Re: Swimming Pool Complaint location: 174 Cresthaven Dr Sanford, NC –

To whom it may concern,

After receiving a complaint about a swimming pool with a green film that has a bad smell and is creating a mosquito-breeding environment, an onsite visit was made. The Environmental Health Specialist investigating the complaint confirmed the conditions listed above. At the direction of the Harnett County Environmental Health Specialist, you must, either completely drain the pool, repair the pool and put it into proper working condition or fill the pool in so that no accumulation of water can occur.

Please contact me in regards to this matter as soon as possible but no longer than seven days from the receipt of this letter to avoid possible legal action by our Legal Department.

I can be contacted at (910) - 893-7547 Monday through Friday from 8:00 A.M. until 9:00 A.M. I will try to answer any questions that you might have.

Sincerely,

James E. Manhart III, R.E.H.S
Environmental Health Program Specialist
Harnett County Department of Public Health
Environmental Health Section
