<b>Comments:</b>	I'm trying to find out how to go about a septic line issue I have been dealing with well over a year now. I'm renting but the HOA is not doing anything about the constant raw sewage coming out of the ground. The lady I'm renting from keeps pushing the issue to the HOA, but they will not take care of it. I see it as a major health issue, especially for my kids and animals. I'm at 16B Morrisday Lane, Lillington NC, 27546.
