**RE: Failing septic system located at 200 Young Rd, Angier NC**

Mr. & Mrs. Ratcliff,

**An on-site inspection was made on your property 6/14/23 by an Environmental Health Specialist and observed a failing septic system. Violation-Illegal pipe coming from pump tank and pumping affluent downhill and into woods. Owner should promptly contact a septic contractor to review the issue.**

You are hereby notified that you are violating the Rules and Regulations adopted by the North Carolina Commission for Health Services in accordance with requirements of Article 11 Chapter 130A-335 (a) of General Statutes of North Carolina. Any person owning or controlling a residence, place of business, or place of public assembly containing water-using fixtures connected to a water supply source shall discharge all wastewater directly to an approved wastewater system permitted for that specific use. A wastewater system may include components for collection, treatment and disposal of wastewater.

**We request that you contact the Health Department within 7 days in order to obtain an improvement permit. You are required to correct this problem within 30 days from this date. You will be required to bring a recorded survey map, deed, and fill out a REPAIR APPLICATION in order to obtain an improvement permit. Please be advised that any action you may take without an improvement permit does not absolve you of the responsibility for correcting this public health problem, according to health department standards. The continuation of this violation may constitute a health hazard, and if you do not comply within the allotted period, we will be forced to obtain legal action.**

I can be contacted at 893-7547 Monday-Friday, from 8:00-9:00 a.m.

Sincerely,

James Manhart, R.E.H.S.  
Environmental Health Program Specialist  
Harnett County Department of Public Health
