Comments:	<p>I was encouraged by one of my neighbors in the Purfoy Place subdivision to reach out to you about a property that I live behind. The property is located at 3841 Rawls Church Road and it is disgusting and littered with broken down vehicles, car and motorcycle parts, all sorts of rusted metal, rotting building material and straight garbage. It looks like a salvage yard and it smells terrible. I am now starting to see rodents all over the place in all the junk scattered throughout the yard. Equally concerning is a distinctly foul feces/septic-like odor that is beyond rank. There is no way that this property is not in violation of some type of county ordinance. I've held off contacting anyone hoping that the property owners would clean up but it's getting worse. My family and I can't even enjoy time in our backyard because the smell and rodents running around are so gross. Any assistance you can provide would be awesome. Please, please help...the filth is unbearable!</p>
