**RE: Failing System located at: 6896 NC 27 W Lillington**

To whom it may concern.

**An on-site inspection was made on your property 8/11/25 by an Environmental Health Specialist. You will need to get a plumber to inspect from home to tank. You will need to get a septic contractor to check filter and d-box.**

You are hereby notified that you are violating the Rules and Regulations adopted by the North Carolina Commission for Health Services in accordance with requirements of Article 11 Chapter 130A-335 (a) of General Statutes of North Carolina. Any person owning or controlling a residence, place of business, or place of public assembly containing water-using fixtures connected to a water supply source shall discharge all wastewater directly to an approved wastewater system permitted for that specific use. A wastewater system may include components for collection, treatment and disposal of wastewater.

**We request that you contact the Health Department within 7 days for plan of action. You are required to correct this problem within 30 days from this date. The continuation of this violation may constitute a health hazard, and if you do not comply within the allotted period, we will be forced to obtain legal action.**

I can be contacted at 893-7547 Monday-Friday, from 8:00-9:00 a.m.

Sincerely,

Mark Osborne, R.E.H.S.
