RE: Illegal Septic System. Location: 229 Montague Rd, Angier

Mr. Tutor,

An Environmental Health Specialist made an on-site inspection of your property on 9/5/25, and observed that there was an illegal septic system. Please refer to the following:

You are hereby notified that you are violating the Rules and Regulations adopted by the North Carolina Commission for Health Services in accordance with requirements of Article 11 Chapter 130A-335 (a) of General Statutes of North Carolina. A person owning or controlling a residence, place of business or a place of public assembly shall provide an approved wastewater system. A wastewater system may include components for collection, treatment and disposal of wastewater.

Due to the circumstance of this problem you are required to correct this problem within 30 days from this date. You will need to apply for a septic permit at Central Permitting and the unapproved septic system needs to be removed. The continuation of this violation may constitute a health hazard, and if you do not comply within the allotted time frame we will be forced to obtain legal action.

Sincerely,

Reynold Levocz, R.E.H.S.
Environmental Health Specialist
