RE: Wastewater complaint

I came out to your lot located at 187 Red Oak Dr. Spring Lake NC to investigate a complaint we received about wastewater from your lot running down the road ditch.

I would appreciate it if you would call me back at my office between the hours of 8am and 9 am to discuss this complaint and to determine what the pipe coming from under the barn/shed on your lot is being used for.

Sincerely,

Mark Osborne REHS
