RE: Illegal Pipe located at 172 Chinaberry Lane, Angier NC

To Whom it may concern,

An on-site inspection was made on your property on 5/1/26 by an Environmental Health Specialist and observed an unpermitted shed illegally hooked to the septic system.

You are hereby notified that you are violating the Rules and Regulations adopted by the North Carolina Commission for Health Services in accordance with requirements of Article 11 Chapter 130A-335, 15A NCAC 18A. 1937 (a) of General Statutes of North Carolina. Any person owning or controlling a residence, place of business, or place of public assembly containing water-using fixtures connected to a water supply source shall discharge all wastewater directly to an approved wastewater system permitted for that specific use. A wastewater system may include components for collection, treatment and disposal of wastewater.

We request that you contact the Health Department within 7 days to advise your plan of action to correct this issue. The continuation of this violation may constitute a health hazard, and if you do not comply within the allotted period, we will be forced to obtain legal action.

I can be contacted at 893-7547 Monday-Friday, from 8:00-9:00 a.m.

Sincerely,
