CALL MADE	Amy Driggers	9/27/2018	9/27/2018	Received a voicemail from a Ms. Carter stating she was representing Mr. John Henry Tripp. I returned Ms. Carter's phone call and she stated that Mr. Tripp was disabled and did not have the money to comply as we had asked and wondered what could be done. She asked if it wouldn't be grandfathered and I told her no, that this qualified as a violation and not a grandfathered use. I also told her that I had spoken with Mr. Tripp and explained to him what needed to be done and that as long as he made significant progress that we would work with him. She said that was all she needed to know and that she had also mailed a representation letter that we should be receiving. She also stated that correspondence should now go through her.
CALL MADE	Amy Driggers	11/13/2018	11/13/2018	Randy and I called Mr. Tripp on speakerphone and had a conversation regarding his attorney and the violation. Mr. Tripp stated that he was firing his attorney as of this morning. He states that the attorney who showed up to the meeting in our office is not the attorney he hired. He also states that the attorney had given him misleading information stating that Randy or I had suggested that he was not disabled, that he was required to submit a doctors note and that he could not do this without an attorney. We explained to Mr. Tripp that if he retained legal counsel to let us know but that we would otherwise deal directly with him. We made an agreement to meet on site Thursday Nov 15th to review the property and come up with a compliance plan as well as make a decision regarding the appeal application. He agreed.
CALL MADE	Amy Driggers	11/15/2018	11/15/2018	Spoke to Mr. Tripp about doing an inspection of the property today. The weather is cold with heavy rain over several days. Mr. Tripp is not feeling well either so I rescheduled him for Monday 11/19/2018.

CALL MADE	Randy Baker	11/19/2018	11/19/2018	A call was placed to the Phair Law Firm in regards to the John Henry Tripp appeal application. I advised the para-legal that we had met with Mr. Tripp and he has advised us that he wishes to explore the compliance action plan method of compliance. I stated that the funds submitted for the appeal would be reimbursed to the Firm and that the appeal would be canceled. I followed up with an email to Nicole Phair.
CALL RECEIVED	Amy Driggers	11/12/2018	11/12/2018	Received a voicemail from Mr. Tripp on Monday 11/12 (Holiday). Mr. Tripp stated that he wanted me to return his call at 919-258-3566.
CALL RECEIVED	Amy Driggers	7/25/2019	7/25/2019	Spoke with the daughter of Mr. Tripp, Alisia Tripp. She stated she is helping her father clean the property and get the building built. I explained to her that we had a compliance plan with Mr. Tripp and that all efforts from our department to reach compliance had been exhausted as he did not meet the compliance plan agreed upon. She discussed her fathers health which I also explained to her was taken into consideration along with other factors such as weather during his compliance period. She asked for a copy of the information. I have printed the case details and emailed a copy.
CALL RECEIVED	Amy Driggers	4/1/2019	4/1/2019	Mr. Tripp called and left a message with Randy Baker for Randy to return his phone call. Randy and I called Mr. Tripp back together as we have been working on this case together. Mr. Tripp called wanting information regarding building a building on his property. Maybe even just a pole barn. We gave him zoning requirements regarding placement and setbacks and advised him to speak with a building inspector regarding actual construction questions. Mr. Tripp did not seem too happy with the requirements and stated that he was now more confused than he was to begin with. Mr. Tripp ended the phone call to answer another call.

MEETING	Amy Driggers	11/6/2018	11/6/2018	Met with Mr. Tripp and Ms. Carter along with Randy Baker regarding a compliance plan. No vehicles have been removed since the NOV was sent in August 2018. Multiple ideas and options were offered to Mr. Tripp. Mr. Tripp's only answer was that what we were doing is extortion and that he would agree to a compliance plan but that he wasn't moving anything. Ms. Carter encouraged Mr. Tripp to work with us as I asked Mr. Tripp for his thoughts and ideas. The conversation was left to allow Mr. Tripp 48 hours to think about the situation and come back to us with any thoughts he may have. Ms. Carter will contact me by noon on Thursday November 08, 2018. If no further suggestions are offered to discuss then we will move forward and submit a compliance plan to Ms. Carter for her review.
