Patient: **James Edsal Baker**  
Date of Birth: **9/5/1951**  
Date of Visit: **8/5/2019**

To Whom It May Concern:

It is my medical opinion that James Baker needs to avoid working Outdoor in temperature > 80 degree farenheit due to multiple medical problems.

If you have any questions or concerns, please don't hesitate to call.

Sincerely,

Michael Christopher Moore, DO
